Delivered by The Woodlands Meed School Communication Champion, and qualified tutor, this 9 week Signing awareness course is suitable for total beginners or those who already have some prior learning. The course will give participants the knowledge of over 800 signs from Makaton stage 1-8 vocabulary plus many additional signs. In sessions participants will learn signs from each stage and then practise them by participating in a variety of tasks and activities. Attendees will be given printed copies of the signs taught. This is not a Makaton accredited course but participants will receive a certificate from the Meeds SEND Alliance
