16th April 2024

Dear Parents/Carers,

We wrote to you before the half term break to advise we had been approached by an NHS dental service, as they would like to offer support to our pupils with autism and their families.

They are offering a free programme around dental health care and brushing, through some face-to-face sessions in May this year, as they are aware that teeth cleaning and dentistry can be a challenge for young people with autism.

If your child has a diagnosis of autism, and you feel this may be useful, or you would like to find out more, please see the attached flyer and respond to Dr Jess Baskerville to register your interest.

Spaces may be limited, so we would advise you to get in touch with her if you would like to attend as soon as you are able.

Kind regards

Chris Carter

Deputy Head Teacher
