KS3

In Key Stage 3 you will:

- Have your say in your future choices at your Annual Review 
- Start to think about your Hopes and Dreams
- Use PRACTICE Skills for Life and Learning 
- Meet inspirational speakers, including those with special needs
- Get to take part in social action activities 
- Be helped to challenge stereotypes and discrimination
- Your learning will have clear links to careers 
- Understand what the Meed's Job Club offers
- Take part in STEM activities and attend local STEM events
- Start to identify skills, strengths and areas you want to get better in
- Take part in an Enterprise challenge project 
- Start practicing interviews skills
- Meet colleges, apprenticeship providers and day centres 
- Begin to create your Vocational Profiles
- Begin to learn about the choices you can make when you are older
- Be introduced to KS4 learning 
- Meet with employers and employees 
- Learn from the Woodlands Meed alumni
