

Super 1s is a community programme, funded by Lord Taverners, and run by Sussex County Cricket Club, which provides young people with physical and / or learning disabilities access to regular physical activity, new competitive sporting opportunities and opportunities to develop new friendships and independent life skills.

The club runs at Woodlands Meed on Monday evenings and is open to pupils at the school as well as other young people from the local community. During these sessions, members receive high quality training from qualified Sussex County Cricket coaches. They then have the opportunity to put into practice what they have learnt by playing competitive matches against other cricket hubs in the surrounding areas. It is a fantastic club that benefits so many young people from Woodlands Meed and the local community.
