Dear Parents and Carers,

We hope this message finds you well.

As part of our commitment to providing a personalised and meaningful education for every pupil, we have introduced a new curriculum model at Woodlands Meed. This model has been carefully designed to clarify and strengthen the different learning pathways available to pupils, helping you better understand how your child's learning journey is structured and supported.

We want to ensure that this new model is clear, accessible, and effective for families. Your feedback is vital in helping us evaluate how well the model is working and where we can make improvements.

Please take a few minutes to complete our short online survey by clicking the link below:

We are particularly interested in your views on:

- How clearly the new curriculum model explains the Woodlands Meed's learning pathways
- Whether it helps you understand how pupils are being supported
- Any suggestions you may have to improve communication or curriculum design

Thank you for your continued support and we look forward to hearing your feedback.

Kind regards,

Nola Bennett
Deputy Headteacher
