Dear Parents and Carers,

Please see below a message from the NHS Immunisation Service

We are pleased to share two new resources designed to support school-age vaccination programmes for children and young people with Special Educational Needs and Disabilities (SEND). Please see attached a leaflet entitled 'Information for parents and carers of school age children and young people with SEND'

This leaflet is designed to help parents and carers understand the benefits of vaccination, address common questions, and provide practical advice on preparing for an immunisation.

Alternatively, the online version is below:

Kind regards
