Dear Parents / Carers,

RE: KS4 Uniform

We have been really impressed with how well the new year 10's have transitioned into college site, and what excellent role models year 11 are being.

We would like to take this opportunity to remind families of the dress code expectations for our KS4 students.

We understand that, for some students, wearing a traditional school uniform can present challenges. We are committed to working with students and families to make reasonable adjustments where needed, and we always aim to take a supportive and understanding approach. However, it is important that we maintain clear boundaries and ensure that students attend school dressed appropriately for a learning environment. Whilst accommodations can be made, students should still wear plain tops and plain trousers that are suitable for school.

We have noticed an increase in students wearing jeans, clothing with prominent logos, and chains. We ask that students wear plain tops and trousers, as this helps to maintain an inclusive learning environment, reduces pressure around fashion brands, and ensures that the focus remains on learning rather than clothing choices.

We ask for your support in ensuring that your child attends school wearing plain, appropriate clothing. If your child is experiencing difficulties with any aspect of the dress code, please contact us so that we can work together to find a suitable solution.

Thank you for your continued support and cooperation.

Kind regards,

Martin Woods
Assistant Head
