Providing NHS services

Special School Eyecare Service

School service information

Introduction

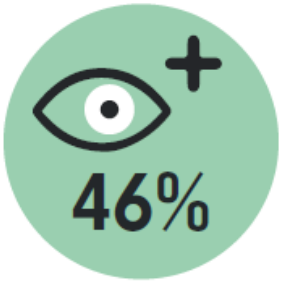

The NHS in England have committed to transforming eye care and vision for students and young people in special schools in England by delivering a **free**, eye examination **on the school premises** which will include the supply, fitting and support with glasses for every student who needs them.

Students with a learning disability and/or autism are 28x more likely to have eye health issues

44% of students have no history of eye care provision

46% of students have a significant eye problem

Please watch this short film to see the impact the service has had on a young man named Terence. Terence's story - A world brought into focus

> When SeeAbility fitted Terence's glasses I was so happy, I was in tears of joy! It was incredible, the way they worked with him, the care was incredible, they were so gentle. This is life-changing for Terence. With his glasses he can see the world clearly. He is smiling all the time! You can see so much difference in him. It is like a miracle, that's the only way I can describe it. Without exaggeration, SeeAbility have given my son the gift of sight. I am so incredibly grateful.
>
> Terrence's Mum

We'd love to support your child's eye care at school. To do this, we need your consent – please scan the QR code or go to seeability.org/opt-in to complete the form, even if your child is being seen elsewhere.

Active 30

Active 30 is a government initiative to help children become fitter and healthier. It directs schools to provide 30 minutes of active time (in addition to playtimes and scheduled PE) each school day. Families are responsible for encouraging their children to become more active for an additional 30 minutes at home. With this in mind, we are supporting families by providing a suggested weekly activity for children to do at home which requires no specialist equipment, but maybe a bit of creativity to deliver it. If you would prefer to do your own activity, that is fine. It is not compulsory, but it would be great for as many students as possible to participate. Please put any photos taken on Seesaw and tag Active Time.

Spelling bee

Get Set 4 Education

What you need: The alphabet written on individual pieces of paper. An item to be your start marker.One player and one person to choose the words.

How to play:

- Place the alphabet 6m away from the start marker.
- One person calls a word for the player to spell.
- The player must run up and touch each letter to spell the named word. If they spell it wrong they must go back to the start marker and begin again.
- Make this harder by asking the player to complete one star jump for each letter of the word before they start, so for 'smile' the player would need to do 5 x star jumps.
- Make this harder by asking the player to run back to their start marker after each letter they touch.

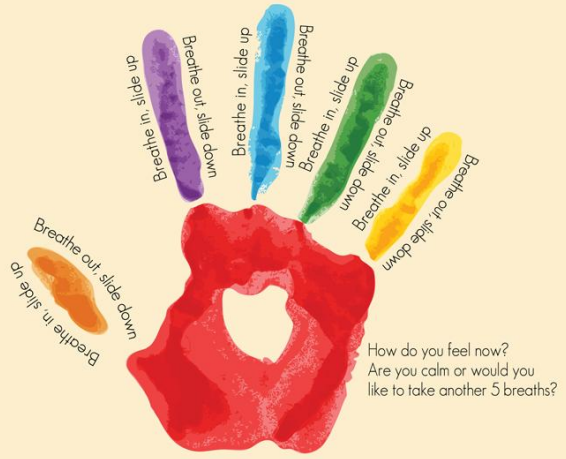

How many words can you spell in 3 minutes?

Stepping up to the Crease:

Fox Class Shine at Inclusive Cricket Event

On Thursday 15th October, Fox Class made the short trip to Ansty Cricket Club for an action-packed afternoon of cricket activities, games and challenges. Four additional schools took part, rotating around a carousel of cricket themed activities that varied from bowling, batting and target throwing.

There was plenty to get involved with, and everyone had the opportunity to have a go, try something new and, most importantly, have fun! It was fantastic to see the whole class getting stuck in and giving every activity their best shot. Batting was most definitely the most popular with Fox class!

The event was particularly special as it brought together pupils from our school alongside students from mainstream, creating a brilliant opportunity to take part and enjoy sport together in an inclusive setting.

Everyone in Fox Class represented Woodlands Meed brilliantly. They behaved impeccably throughout the afternoon and really threw themselves into every challenge.

A huge well done to Fox Class — you should all be very proud of yourselves!

- Parent Carer Survey - Maintained Special Schools 2026-2027 – Fill in form

The survey is for parent carers of children and young people attending maintained special schools, particularly those with complex physical, medical or profound needs. We know that the experiences of these families are not always heard as widely, and we really want to make sure their voices are included.

We're keen to hear about families' experiences across education, health, social care and transport, what is working well, where there are gaps or difficulties, and the impact this can have on children and family life.

The feedback will help us make sure parent carer experiences are reflected in service planning, commissioning and SEND reform discussions, both locally and beyond.

All responses are anonymous and the survey is quick to complete, with the option to share more if they wish.

Thank you for your continued support.

Get Ready For A Fang-tastic October Half Term In Burgess Hill!

Halloween Trail

We are hosting our annual Town Centre Halloween Trail. Participants will be asked to help Pirate Pete find his missing treasure; they will sail around the shops looking for answers. Once they have completed their trail map, they will be able to collect their own treasure from the Help Point. Three additional winners, chosen at random, will each win an extra prize consisting of a toy and an educational activity prize!

The trail runs from Monday 26 to Friday 30 October. Collect your trail map from the Help Point and set off on a spooky adventure around Burgess Hill.

Sports Session – Badminton

Would you like to learn a new sport? Then join us at The Triangle on Monday 26 October 10:30-12:30 for a free Badminton session. Participants must complete an online waiver before attending which can be found at www.burgesshill.gov.uk/sports-sessions/.

Sports sessions are aimed at 5–14-year-olds. Participant numbers will be managed on the day.

Halloween Crafts

Get creative this Halloween with our craft sessions in partnership with Creative Community Hub. With three sessions to choose from, participants can enjoy making something new, experimenting with different materials, and creating a fun masterpiece to take home. Sessions take place on Wednesday 28 October, at 10am, 11am, and 12pm, all sessions run for 45 minutes and are aimed at ages 5-11.

Advance booking is required via www.ticketsource.co.uk/burgesshilltowncouncil, or by calling 01444 247726. Booking opens at 9am on Wednesday 14 October, with priority given to those living in Burgess Hill.
